

The Butterfly Effect: CAV

May 28 - June 28

We have been making a lot of butterflies thanks to our friends at ART 321 in Casper. This is a CAV gallery take over where we are going to change the work out in the front of the gallery to share and show case all of the wonderful things you all have made with butterflies on it.

All work needs to have on it or be a butterfly. Work needs to be by current CAV students/members.

Work needs to be made in the last two years and be 90% clay.

You may enter three pieces . We may not take all of the pieces as we have to make the best choices for the show. If you would like your piece/s moved to the Wyoming show you need to enter from their website www.ART321.org (there is a cash prize for the Wyoming show).

We encourage EVERYONE who is a current student to send in a piece(s).

You need to email to CAV by May 17, 2024 a photo of the finished piece with your name, dimensions, and a sales price. (If the piece is for sale we will be doing a special 90/10 split. 90% to the artist 10 % to cover our transaction fees).

Please put Butterfly in the subject 4information@clayartsvegas.com

Work accepted needs to be dropped off to CAV between May 21st and May 24 You must use masking tape to put your name on the bottom of the piece.

Let's make a kaleidoscope, to start the summer!!!!!!!!!!
